Welcome to our collection

Palm Beach Collection is an Australian family owned-and-run business established in 2009.

We are renowned for our invigorating fragrances that connect people to the Australian lifestyle by celebrating the outdoors. Our fragrances are a gentle nod to our love of Sydney's Palm Beach, a place that has shaped and defined our journey as a brand. As well as hand-poured scented candles, Palm Beach Collection also offer fragrance diffusers, bath and body products along with gift packs.

Our focus remains on offering luxurious products that are attainable and accessible for all our customers.

With a new re-brand that evokes Sydney's colourful coastline, inspired by world travels and clean and contemporary aesthetics, Palm Beach Collection will continue to evolve and grow through integrated marketing communication that speaks to our customers.

Enjoy!
