The magic is not in our products.
It's not in the design or the beautiful words.
The magic is what happens between two people
when they give and receive our products as gifts.
A beautiful human connection results.
Through our products, we are merely amplifying
what is already there.

UP FOR ANYTHING

A CARD KIT TO EMBRACE THE JOYS OF LIVING CREATIVELY

Breaking with our routines can be a great place to infuse more creativity into our lives. The 52 cards in our new Up For Anything kit suggest small challenges to help you engage with your world differently, try new things, and discover more freedom along the way.

“The routine and structure of our days are necessary. But weaving just a few bright unexpected things into that structure can make everything feel better.”

—M.H. CLARK, AUTHOR

This whimsical set includes 52 cards with fun and feasible assignments. Each activity is designed to interrupt established routines, disrupt patterns, and lead you to appreciate your environment in exciting new ways. These playful cards include activities like:

- Change your password to a mantra, a catchphrase, an aspiration—words you’ll feel good about every time you type them.
- Try on a garment you’d never wear. What hidden parts of you come out when you’re wearing this thing?
- Choose a song you love and create a dance move that embodies the way it makes you feel.

Set the beautiful box on a desk or shelf and let it inspire you to engage with a new experiment each week of the year. Or share the challenges with friends and compare your experiences!

UP FOR ANYTHING A YEAR OF CREATIVE LIVING

Inside this artful box are 52 imaginative challenges. Pick a card, complete the short activity, and let the results shake up your day. Each is a reminder that you have more freedom than you think—and that you never know what might happen when you’re up for anything. Features double-sided cards and a telescoping box.
